

A GREAT NIGHT OUT!

# FOLK DOWN THE TRACK

Hop on the train and travel down the track to hear excellent folk music at two fantastic venues in the Marches

The aim of **Folk Down The Track** is to have a good night out on the Heart of Wales or Marches railway lines using local community pubs and venues. It is part of a wider slow travel movement that is spreading throughout Europe. There is no charge for the folk evening but we do ask that people make a donation so we can pay the bands!
